Mission Statement

*"To promote, manage and develop the game of Bowls in Taranaki
for the recreation and entertainment of all"*

PRESIDENT'S MESSAGE

I extend a warm welcome to everyone for what promises to be a blockbuster season in Taranaki bowls. The strength of Bowls Taranaki has always been in its clubs, which engage with the wider community, maintain excellent facilities and provide all the resources for our centre events. It is pertinent to remember this and especially so this season as three clubs celebrate significant milestones. Pihama and Manaia are coming into their 125th seasons, while Paritutu turns 100 years old.

All three clubs have made huge impacts on their communities and their longevity is a great reward for their many stalwarts and members.

We were delighted with the big boost in numbers in last season's Open Fours events. We are hopeful of maintaining those this coming season, although there may be some opposition with the Dominion fours and mixed pairs. These events will be held in late February/early March and I'm sure they, too, will be well received.

They will give all our top players, and those with aspirations, to compete at a higher level. It was delightful to see the success of some of our players on the national stage in recent months. Briar Atkinson, Nathan Goodin, Hamish Kape, Kaylin Huwyler and Aidan Zittersteijn all performed with distinction at the Oceania Challenge; Briar claimed the NZ champion-of-champions singles; and the under-26 side sneaked the inaugural title in Wellington. Best wishes for more success this season.

Ultimately, though, the biggest thanks needs to go to all members, a vast majority who serve their club and the game so well. Thanks especially to all the administrators, the greenkeepers, the umpires, the coaches and indeed all the other helpers.

We also extend our appreciation to all those organisations who offer financial support to the sport in this province. Their contribution cannot be under-estimated.

BOWLS ETIQUETTE

Lawn Bowls is played in an atmosphere of friendship and sociability. Fun & Good Sportsmanship for all is the important thing.

1. Try not to distract the person who is on the mat and about to bowl, by getting in their line of sight, talking loudly or movements to distract them.
2. There should only be 1 person per team standing on the head, and they should be a metre behind the jack, all others should be on the bank, behind the ditch – this saves the green being trampled.
3. When going from one end to the other between bowling, please be aware of the other rinks beside you, and try to stay inside your own rink.
4. Do not carry on a running commentary as each bowl makes its way to the head.
5. It's ok to clap, and support your team with positive comments, try not to rub the opposition's nose in it if you get a shot from them. Comments and friendly banter is ok (if its ok with the other team) but be sportsmen like, and not offensive. You can make some noise, but be mindful of other rinks too.
6. If the two measurers can't agree and an umpire is called, leave only the shot in question on the head and step off the rink for the umpire's decision – which is final.
7. It's ok to discuss a shot with the skip, but remember you are on the same team – and you are having fun, even if you are there to WIN – no arguing.
8. We all know we don't always achieve the shot we were after, so no "Sorry's" are needed, you're doing your best, and if the conditions are causing issues, we are all in the same boat.
9. A good shot is a good shot and its ok to say or indicate so, for your team or the opponent.
10. Ask if you can remove or kick back bowls at the finish of the end, to ensure that both team's measurers have agreed prior to moving the head. Be careful when removing bowls not to disturb your, or anyone else's head, it may cost you a point.

Have Fun, it's a game (sure we want to win, and we are all trying hard) so keep it fun and in good spirit.

Remember – If its not Fun, or Enjoyable – Why are we doing it!

They could however play another discipline at another club. For example, they could play Singles at one club and Pairs at another club.

Conditions of Play

1. All games, whether conducted by a Club or the Centre, shall be played under and in strict conformity with the World Bowls Laws of the Sport of Bowls, Fourth Edition, BNZ Domestic Regulations also apply.

 - c. An incorrectly delivered jack will be redelivered, except in time limit matches.
 - d. A killed jack, is a dead end and therefore needs to be replayed.
 - e. In any game where there is a time limit, any killed end after the bell will result in the jack being placed on the 2m mark.

5. Bowls Taranaki may decide to utilize the indoor facilities at the Paritutu Complex, should this action be deemed necessary, to finalise a particular event, delayed because of inclement weather.

6. Bowls Taranaki may decide to restrict the movement of players during play. WB Law, Appendix A4 will apply.

BOWLS3FIVE

Conditions of Play - Bowls New Zealand - May 2023

4. FORMAT OF PLAY

4.1. The games will be played under sets play format as outlined in the Laws of the Sport of Bowls, subject to a number of variations as outlined below.

4.2. The format of the game will be two bowl triples.

4.3. Each game will be played over two (2) sets, with each set consisting of five (5) ends.

- If the shot scores are tied after the fifth end of a set, the set will be a draw.

4.4. Tiebreaker

- If a game is tied after the two sets have been completed (each team having won one set or both sets having been drawn), a one-end tiebreaker should be played to decide the winner.

- The winner of the tiebreaker will be awarded the game.

4.5. First to Play

- First set: the opposing teams shall toss a coin and the winner of the toss can choose whether their team places the mat, and then delivers the first bowl or tells the opposing team to place the mat, and then deliver the first bowl (the opposing player cannot refuse).

- Second set: the winner of the first set shall place the mat and then deliver the first bowl. If the first set is a draw, the winner of the last scoring end in that set shall place the mat, and then deliver the first bowl.

- Tiebreaker: The opposing skips should toss a coin and the winner of the toss has the options as described above.

- In all ends after the first end of each set, the winner of the previous scoring end shall place the mat and then deliver the first bowl.

4.6. Re-spotting the jack

- If a jack in motion passes completely outside the boundaries of the rink of play (left, right or over the face of the bank), or rebounds to a distance of less than 20 metres from the mat line, **the end shall not be declared dead. Instead the jack should be placed with the nearest point of the jack at a spot on the rink which is 2 metres from the front ditch and on the centre line.**

- If the spot mentioned above is partly or completely covered by a bowl, the jack should be placed as close as possible to the covered spot, in line with and between that spot and the corresponding spot at the opposite end of the rink, without touching a bowl.

4.7. Scoring – Sectional Play

- Three (3) game points will be awarded for each game won. No game points are awarded for any game lost.
- One (1) set point will be awarded for each set won. A half set point (0.5) will be awarded for each set drawn. No set points are awarded for any set lost (the tie-breaker is not a set).
- If a game is forfeited, the non-offending team will be awarded three points for a win, two set points and a net total of 2 shots.
- Ladder rankings for all sectional play will be determined as follows:
 1. Highest number of game points scored.
 2. If game points are equal, the team with the highest net total of set points (total set points for – total set points against) shall be ranked higher.
 3. If game points and net set points are equal, the team with the highest net total shots (total shots for – total shots against) over all games (not including tie breaker ends) in the section shall be ranked higher.

5. GAME VARIATIONS

5.2. Powerplay

- A Power Play enables a team to earn double the shots scored (by that team) in any nominated end.
- **Teams will be allowed one Power Play end per game (not per set) as nominated by the team to the opposing team.**
- Both teams can nominate to use the Power Play in the same end of a set. If a Team does not nominate to use its one Power Play end in a game, that Power Play is lost.
- There are no Power Plays available for use in a tiebreak (section 4.4).

5.3. Placing of the Jack and the Mat

- **The jack shall be placed on the centre line on the four metre mark.**
- The mat may be placed anywhere from the two metre mark to a point 23 metres from the jack.
- The rinks shall be marked to provide guidance for the placing of the mat.

JUNIOR BOWLS3FIVE

Junior Bowls3Five will be run on an evening for participating teams.

\$5 per night mat fee - food included. No club entry fee. 5.30pm start.

Where a club has more than one side, movement between sides will not be permitted.

2.5 A substitute approved by the Controlling Body shall where possible, be:

- a. Of playing ability equal to, or less than, the absent team member.
(Bowls Taranaki Controlling Body requests that 3 names, be supplied of players of similar or lesser ability and the Controlling Body will decide the appropriate substitute)
 - b. Someone who has not taken part in the event.
 - c. A player who satisfies the eligibility requirements for team members in the Conditions of Play.
 - d. Where it is not possible to satisfy the above requirements, the Controlling Body may appoint any suitable player to act as a substitute.
- 2.6 The awarding of a trophy, financial reward, or other acknowledgement of winning a tournament to a substitute in the winning team shall be the prerogative of the Controlling Body.

2.7 If the tournament leads on to a pathway event, the Controlling Body shall decide if the substitute will be nominated and entered in that tournament.

2.8 Each pathway event is a competition in its own right and therefore the full scope of this regulation will apply to each pathway event.

(SUBSTITUTES Laws above are from the new WB LAWS and Domestic Reg.)

Substitutes for Bowls Taranaki Champion of Champions Events:

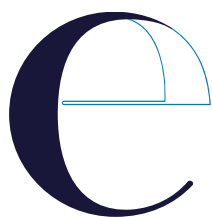

In team events, the substitute is to be the player from the same position in the runners up team. If this person is also not available for reasons accepted by the Centre, then three names are to be provided to the Centre of players of equal or lesser ability. The Centre will then make the decision of the substitute. Champions of Champions Events are considered a separate event from Club Championships, and therefore if, and only at the start of the event the player being substituted was skip, the incoming player will have the right to play skip as well.
