Mission Statement

“To promote, manage and develop the game of Bowls in Taranaki for the recreation and entertainment of all”

PRESIDENT’S MESSAGE

It is a pleasure to once again welcome all bowlers and followers of the sport to the new 2024-25 season. An extra special welcome goes out to new bowlers. I sincerely hope that we – the Centre, the clubs and individual players – can cumulatively provide an enjoyable experience for you.

Last season contained a number of highlights, including the achievements of Briar Atkinson and Kaylin Huwyler in taking out the Player of the Year awards after stellar results. My congratulations, too, go to the other award winners noted in this handbook. And we have long-lasting gratitude to the volunteers and workers in the province who did an excellent job last season, which included the hosting of the Dominion fours and mixed pairs.

My thanks of course are extended to the sponsors and supporters of Bowls Taranaki. We ask that when you are considering making a purchase that you give our sponsors an opportunity to at least quote.

My appreciation is extended to the Taranaki Board, our affiliates – the greenkeepers, the coaches, the umpires and the divisions – who perform such a crucial role in the success of the whole centre, along with the clubs. It has been delightful to witness the revitalisation that has occurred in some clubs in recent years. Despite the negative trends that have impacted on most traditional organisations and activities over the past four decades, some of our clubs and individuals show what can be done. Brilliant stuff. Are you and your club up for the challenge? And while I’m on objectives, I dare every member to bring a friend along to your club for roll-up.

Best wishes to everyone for a successful and enjoyable season.

BOWLS ETIQUETTE

Lawn Bowls is played in an atmosphere of friendship and sociability. Fun & Good Sportsmanship for all is the important thing.

1. Try not to distract the person who is on the mat and about to bowl, by getting in their line of sight, talking loudly or movements to distract them.
2. There should only be 1 person per team standing on the head, and they should be a metre behind the jack, all others should be on the bank, behind the ditch – this saves the green being trampled.
3. When going from one end to the other between bowling, please be aware of the other rinks beside you, and try to stay inside your own rink.
4. Do not carry on a running commentary as each bowl makes its way to the head.
5. It's ok to clap, and support your team with positive comments, try not to rub the opposition's nose in it if you get a shot from them. Comments and friendly banter is ok (if its ok with the other team) but be sportsmen like, and not offensive. You can make some noise, but be mindful of other rinks too.
6. If the two measurers can't agree and an umpire is called, leave only the shot in question on the head and step off the rink for the umpire's decision – which is final.
7. It's ok to discuss a shot with the skip, but remember you are on the same team – and you are having fun, even if you are there to WIN – no arguing.
8. We all know we don't always achieve the shot we were after, so no "Sorry's" are needed, you're doing your best, and if the conditions are causing issues, we are all in the same boat.
9. A good shot is a good shot and its ok to say or indicate so, for your team or the opponent.
10. Ask if you can remove or kick back bowls at the finish of the end, to ensure that both team's measurers have agreed prior to moving the head. Be careful when removing bowls not to disturb your, or anyone else's head, it may cost you a point.

Have Fun, it's a game (sure we want to win, and we are all trying hard) so keep it fun and in good spirit.

Remember – If its not Fun, or Enjoyable – Why are we doing it!

This will be a Taranaki wide competition. A player can only represent one club in NZ in the Interclub competition in any one season. Should a club not have 20 or more players of one gender for an entry in Division 2 and 3, or not have 10 members of one gender for any entry in Division 1, there may be dispensation, upon a letter being approved by the Centre, to have a combined team entered in a division. The entry fees are: Division 1 - \$150.00 (inc. GST) per side. Division 2 and 3 are \$50.00 (inc GST) per side.

The Bowls New Zealand Clothing and Footwear domestic regulations shall apply. Supervisors will allocate rinks, be responsible for the conduct of play and the collation of results. All games to be completed in full, unless both sides agree to not play. In this case, no points will be awarded. All Rounds to be played in numerical order. BOWLS3FIVE

Conditions of Play - Bowls New Zealand - May 2023

4. FORMAT OF PLAY

Mixed Teams of 3 players, with winners qualifying for the Bowls NZ Finals.

4.1. The games will be played under sets play format as outlined in the Laws of the Sport of Bowls, subject to a number of variations as outlined below.

4.2. The format of the game will be two bowl triples. Mixed Triples.

4.3. Each game will be played over two (2) sets, with each set consisting of five (5) ends.

• If the shot scores are tied after the fifth end of a set, the set will be a draw.

4.4. Tiebreaker

• If a game is tied after the two sets have been completed (each team having won one set or both sets having been drawn), a one-end tiebreaker should be played to decide the winner.

• The winner of the tiebreaker will be awarded the game.

4.5. First to Play

• First set: the opposing teams shall toss a coin and the winner of the toss can choose whether their team places the mat, and then delivers the first bowl or tells the opposing team to place the mat, and then deliver the first bowl (the opposing player cannot refuse).

• Second set: the winner of the first set shall place the mat and then deliver the first bowl. If the first set is a draw, the winner of the last scoring end in that set shall place the mat, and then deliver the first bowl.

• Tiebreaker: The opposing skips should toss a coin and the winner of the toss has the options as described above.

• In all ends after the first end of each set, the winner of the previous scoring end shall place the mat and then deliver the first bowl.

4.6. Re-spotting the jack

• If a jack in motion passes completely outside the boundaries of the rink of play (left, right or over the face of the bank), or rebounds to a distance of less than 20 metres from the mat line, **the end shall not be declared dead. Instead the jack should be placed with the nearest point of the jack at a spot on the rink which is 2 metres from the front ditch and on the centre line.**

• If the spot mentioned above is partly or completely covered by a bowl, the jack should be placed as close as possible to the covered spot, in line with and between that spot and the corresponding spot at the opposite end of the rink, without touching a bowl.

4.7. Scoring – Sectional Play

- Three (3) game points will be awarded for each game won. No game points are awarded for any game lost.
- One (1) set point will be awarded for each set won. A half set point (0.5) will be awarded for each set drawn. No set points are awarded for any set lost (the tie-breaker is not a set).
- If a game is forfeited, the non-offending team will be awarded three points for a win, two set points and a net total of 2 shots.
- Ladder rankings for all sectional play will be determined as follows:
 1. Highest number of game points scored.
 2. If game points are equal, the team with the highest net total of set points (total set points for – total set points against) shall be ranked higher.

5. GAME VARIATIONS

5.2. Powerplay

- A Power Play enables a team to earn double the shots scored (by that team) in any nominated end.
- **Teams will be allowed one Power Play end per game (not per set) as nominated by the team to the opposing team.**
- Both teams can nominate to use the Power Play in the same end of a set. If a Team does not nominate to use its one Power Play end in a game, that Power Play is lost.
- There are no Power Plays available for use in a tiebreak (section 4.4).

5.3. Placing of the Jack and the Mat

- **The jack shall be placed on the centre line on the four metre mark.**
- The mat may be placed anywhere from the two metre mark to a point 23 metres from the jack.
- The rinks shall be marked to provide guidance for the placing of the mat.

JUNIOR BOWLS3FIVE

Junior Bowls3Five will be run on an evening for participating teams.

\$5 per night mat fee - food included. No club entry fee. 5.30pm start. Optional Triples. Where a club has more than one side, movement between sides will not be permitted.

- g. A substitute is not permitted in any singles game, except in a side, where a substitute may be permitted.

h. If the player for which the substitute was replacing later becomes available, the player shall, with the consent of the Controlling Body, rejoin the team in the same position at the completion of any end. The team can rearrange their position as necessary. Wherever possible, the original player shall return to the team before another player is appointed as a substitute.

i. A substitute team member must be approved when a player has qualified or been selected for a Centre or Bowls New Zealand Tournament.

j. If a player qualifies for more than one event under the control of the same Controlling Body and is instructed to play in one event, a substitute will be permitted unless it is a singles event.

2.5 A substitute approved by the Controlling Body shall where possible, be:

a. Of playing ability equal to, or less than, the absent team member.

(Bowls Taranaki Controlling Body requests that 3 names, be supplied of players of similar or lesser ability and the Controlling Body will decide the appropriate substitute)

b. Someone who has not taken part in the event.

c. A player who satisfies the eligibility requirements for team members in the Conditions of Play.

d. Where it is not possible to satisfy the above requirements, the Controlling Body may appoint any suitable player to act as a substitute.

2.6 The awarding of a trophy, financial reward, or other acknowledgement of winning a tournament to a substitute in the winning team shall be the prerogative of the Controlling Body.

2.7 If the tournament leads on to a pathway event, the Controlling Body shall decide if the substitute will be nominated and entered in that tournament.

2.8 Each pathway event is a competition in its own right and therefore the full scope of this regulation will apply to each pathway event.

(SUBSTITUTES Laws above are from the new WB LAWS and Domestic Reg.)

Substitutes for Bowls Taranaki Champion of Champions Events:

In team events, the substitute is to be the player from the same position in the runners up team. If this person is also not available for reasons accepted by the Centre, then three names are to be provided to the Centre of players of equal or lesser ability. The Centre will then make the decision of the substitute. Champions of Champions Events are considered a separate event from Club Championships, and therefore if, and only at the start of the event the player being substituted was skip, the incoming player will have the right to play skip as well.
