

Attention All CLUBS –

NORTHERN DIVISION EGMONT SHIELD COMPETITION 2024-25

Due to an uneven number of team entries for this season's draws, ONE Club Team has drawn a bye each week.

The bye is spread across all teams, with the 3 clubs having the greater number of teams entered receiving two bye weeks throughout the competition.

Byes do NOT count as a win – the club with a bye to get an average on number of teams playing that week –

e.g.: four teams entered, one receives the bye, with the club's average for that day's play taken on the remaining three teams playing.
