Mission Statement

"To promote, manage and develop the game of Bowls in Taranaki for the recreation and entertainment of all"

PRESIDENT'S MESSAGE

Hopes are high for a memorable 2025-26 bowls season in Taranaki. We have been delighted to see some notable growth in some clubs and increased energy. This is great to see, but only a start. All of us, as members, have the responsibility to foster the interest that others have in our sport and to utilise our facilities with high occupancy.

The Taranaki Board, and our many helpers, have specific goals for the coming season, and we have impressed upon all clubs the importance of adopting something similar. Individual members, of course, should also have their own objectives and so if you haven't done so yet – get cracking now! Any target should be accompanied by a plan and then you have a pathway to one of the most fundamental of all successes, enjoyment. To be the sport and the club/location of choice, visitors and members alike must have an enjoyable experience. We can never lose sight of this. On the green, a number of our players achieved milestones last season, locally and nationally, headed by Briar Atkinson achieving Black Jack status and Kurt Smith making the Para side. High Performance is important – the centre programme is heavily weighted for the competitive player – and we look forward to a successful representative season with new selectors, Chris Commane and John Grav.

My thanks go to our sponsors – especially The Devon Hotel – our grant funders, our respective Western, Southern and Northern divisions, the Coaches, the Greenkeepers, and the Umpires, including their new Life Members Faye Gecse and Barbara Bishop, for their excellent contribution to Taranaki bowls.

Further to all club administrators, my fellow Board members and Executive Officer, Ian Lewis, my appreciation goes out to you all.

Lastly, to all of you, the members, make the most of the coming season.

BOWLS ETIQUETTE

Lawn Bowls is played in an atmosphere of friendship and sociability. Fun & Good Sportsmanship for all is the important thing.

- 1. Try not to distract the person who is on the mat and about to bowl, by getting in their line of sight, talking loudly or movements to distract them.
- 2. There should only be 1 person per team standing on the head, and they should be a metre behind the jack, all others should be on the bank, behind the ditch this saves the green being trampled.
- 3. When going from one end to the other between bowling, please be aware of the other rinks beside you, and try to stay inside your own rink. Also, do not walk infront of someone who has played and is watching their bowl up the green, or carry on a running commentary as each bowl makes its way to the head.
- 4. It's ok to clap, and support your team with positive comments, try not to rub the opposition's nose in it if you get a shot from them. Comments and friendly banter is ok (if its ok with the other team) but be sportsmen like, and not offensive. You can make some noise, but be mindful of other rinks too.
- 5. If the two measurers can't agree and an umpire is called, leave only the shot in question on the head and step off the rink for the umpire's decision which is final.
- 6. It's ok to discuss a shot with the skip, but remember you're on the same team and you are having fun, even if you are there to WIN no arguing.
- 7. We all know we don't always achieve the shot we were after, so no "Sorry's" are needed, you're doing your best, and if the conditions are causing issues, we are all in the same boat.
- 8. A good shot is a good shot and its ok to say or indicate so, for your team or the opponent.
- 9. Ask if you can remove or kick back bowls at the finish of the end, to ensure that both team's measurers have agreed prior to moving the head. Be careful when removing bowls not to disturb your, or anyone else's head, it may cost you a point.

Have Fun, it's a game (sure we want to win, and we are all trying hard) so keep it fun and in good spirit.

Remember – If its not Fun, or Enjoyable – Why are we doing it!

SUBSTITUTES

Substitutes may be permitted only as follows in Club and Centre Championships:

Substitute regulations have been updated by Bowls New Zealand for the new season starting September 1st 2025.

Bowls New Zealand Domestic Regulations - updated June 2025

- 2.2 The Controlling Body will decide on the eligibility of a substitute. For a Pathway Competition, this is the Controlling Body of the competition where the substitute is required. If no eligible substitute is available or the use of a substitute is not approved by the Controlling Body, Law 32.6 applies. Law 32.6 is available in law book on Bowls New Zealand website.
- 2.3 The following requirements apply for introducing a substitute:
- a) The substitute must play in any position other than Skip. The other members of the team can rearrange their positions as necessary.
- b) A Substitute may be permitted into a team at any stage during a game or throughout a competition. Substitutes introduced after the game has commenced must play in the same position as the player being substituted, except if that position is Skip. In subsequent games in the same competition, the position of players may be rearranged, however a substitute must not play in the position of Skip.
- c) A Fours Team may contain up to two substitutes at any time during a competition, alongside two members of the Original Team.
- d) A Triples Team may contain one substitute at any time during a competition, alongside two members of the Original Team.
- e) A Pairs Team may contain one substitute at any time during a competition, alongside one member of the Original Team.
- f) A substitute is not permitted in any Singles game, except in a side game, where a substitute may be permitted. If a substitute in singles is required in a side game, the substitute must be a member of one of the teams in the side. Members of the side can re-arrange their positions as necessary.
- g) If the player for which the substitute was replacing later becomes available, the player shall with the consent of the Controlling Body, rejoin the team in the same position as the player being replaced at the completion of any end. The team can only rearrange their positions at the completion of that game for subsequent games.

- 2.4 A substitute approved by the Controlling Body shall be:
- a) Of playing ability equal to, or less than, the absent team member, based on current playing ability, playing experience and record. (Bowls Taranaki Controlling Body requests that 3 names, be supplied of players of similar or lesser ability and the Controlling Body will decide the appropriate substitute)
- b) A player who satisfies the eligibility requirements for team members in the Conditions of Play.

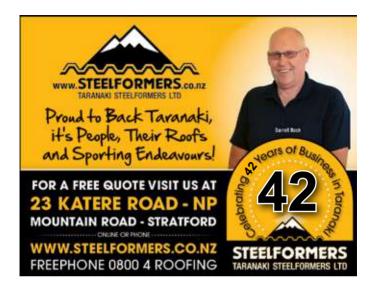

Where it is not possible to satisfy the above requirements, the Controlling Body may appoint any suitable player to act as substitute.

- 2.5 The awarding of a trophy, financial reward, or other acknowledgement of winning a competition to a substitute in the winning team shall be the prerogative of the Controlling Body.
- 2.6 The team members of a team (including any substitute within the team) which wins a pathway level competition should be nominated and entered into the next pathway level competition.
- 2.7 The players that were competing on the green when a stage of any pathway competition is won shall be the players that will make up the team that competes in the subsequent stage of the pathway competition.

Bowls Taranaki Open and Champion of Champions Events 2025-26No player should commence an event when they know that they are unable to complete it.

For Champion of Champions events, Bowls Taranaki requests that 3 names, be supplied of players of similar or lesser ability and the Controlling Body will decide on the appropriate substitute. **Substitutes no longer need to be from the runner up team.**

If a substitute player is required and plays in the winning team, that player must have played a minimum of two games to be eligible to earn a Centre Title, otherwise the original player will be deemed to be the winner of the Centre Title.
