Mission Statement

"To promote, manage and develop the game of Bowls in Taranaki for the recreation and entertainment of all"

PRESIDENT'S MESSAGE

Welcome all, to this new season of bowling here in our province. It is indeed an honour to help lead our Board into what I believe will be another interesting test of our resources and abilities as we strive to push our sport to greater heights in a very competitive period of time. To our 21 Clubs, spread from Awakino in the north through to Patea in the south, I look forward to meeting with you, as together we strive to promote our sport, as a genuine choice for those seeking to improve on the previous year's performances & encourage new players to participate at all levels.

Taranaki has enjoyed top level success in bowling in years past and this season's competitions should give you all opportunities for achievement and glory on the green, whether locally or farther afield. Taranaki players have been recognised nationally and internationally last year and we would hope that this will again be a factor in sporting circles this season. The province has experienced areas of growth in bowling and it is an aim this year, for our Youth Committee, to hopefully have more sessions of the sport played at Secondary School level. Supporting groups of Greenkeepers, Umpires and Coaches, join with Club volunteers and provide excellent support as we strengthen our supply of outstanding playing surfaces and we genuinely express thanks to them all. With an extremely high standard of tournaments and championship events available throughout the season, coupled with the FABULOUS FORTNIGHT of BOWLING, The Devon Hotel Men's and Women's Open Fours, there will again be high excitement as the season rolls through. A very loyal group of sponsors deserve a special vote of thanks, as without their support our national standing would surely decline. Please support them, whenever possible, and please let them know that you are associated with our sport, LAWN BOWLS.

We are very fortunate to have the services of our Executive Officer, Ian Lewis whose organisation & enthusiasm is greatly appreciated. To the Board, I certainly look forward to working with you all as the season unfolds & best wishes to all competing. GOOD LUCK & GOOD BOWLING.

Robert Wolfe, Bowls Taranaki President.

BOWLS ETIQUETTE

Lawn Bowls is played in an atmosphere of friendship and sociability. Fun & Good Sportsmanship for all is the important thing.

1. Try not to distract the person who is on the mat and about to bowl, by getting in their line of sight, talking loudly or movements to distract them.
2. There should only be 1 person per team standing on the head, and they should be a metre behind the jack, all others should be on the bank, behind the ditch – this saves the green being trampled.
3. When going from one end to the other between bowling, please be aware of the other rinks beside you, and try to stay inside your own rink. Also, do not walk in front of someone who has played and is watching their bowl up the green, or carry on a running commentary as each bowl makes its way to the head.
4. It's ok to clap, and support your team with positive comments, try not to rub the opposition's nose in it if you get a shot from them. Comments and friendly banter is ok (if its ok with the other team) but be sportsmanlike, and not offensive. You can make some noise, but be mindful of other rinks too.
5. If the two measurers can't agree and an umpire is called, leave only the shot in question on the head and step off the rink for the umpire's decision – which is final.
6. It's ok to discuss a shot with the skip, but remember you're on the same team – and you are having fun, even if you are there to WIN - no arguing.
7. We all know we don't always achieve the shot we were after, so no "Sorry's" are needed, you're doing your best, and if the conditions are causing issues, we are all in the same boat.
8. A good shot is a good shot and its ok to say or indicate so, for your team or the opponent.
9. Ask if you can remove or kick back bowls at the finish of the end, to ensure that both team's measurers have agreed prior to moving the head. Be careful when removing bowls not to disturb your, or anyone else's head, it may cost you a point.

Have Fun, it's a game (sure we want to win, and we are all trying hard) so keep it fun and in good spirit.

Remember – If its not Fun, or Enjoyable – Why are we doing it!

CONDITIONS OF PLAY FOR CENTRE OPEN & CHAMPION OF CHAMPIONS EVENTS

Updated July 2026.

Club Champion [Defined]: The winner, found by genuine Club competition of the particular championship of a Club, for the current season, and for whom Club Honours Board records will be kept current.

Players who hold Plural/Dual Membership can only play a discipline once. For example, Players cannot play in their Club Singles at one Club and then play Club Singles at another club. They could however play another discipline at another club. For example, they could play Singles at one club and Pairs at another club.

Conditions of Play

1. All games, whether conducted by a Club or the Centre, shall be played under and in strict conformity with the World Bowls Laws of the Sport of Bowls, Fourth Edition. The Bowls NZ Domestic Regulations also apply. Bowls New Zealand's players Code of Conduct within the Domestic Regulations for sportsmanship and player obligations applies to Bowls Taranaki Inc. events. All players should be familiar with the Conditions of Play before play commences.

2. Draws: All Centre Open events will be an open draw with the provision that players or teams from the same club will not meet in section play where possible. Post section play is an open draw. For the Open Fours, the draw is a managed draw to ensure that visiting teams from the same Centre and local clubs where possible, do not play against each other in section play. Post section play is an open draw.

3. Footwear: Players, Umpires and Markers must wear flat-soled (heel-less) footwear when they play on the green or act as an Umpire or Marker. Soles may be of a non-slip material but with only a slightly abrasive surface. Footwear that damages the green will not be permitted. The person concerned will be asked by the Controlling Body to remove their shoes and replace them.

4. Clothing: For any centre event, players in singles and members of a team or side must wear clothing of the same colour and design or white as determined by the controlling body. Any player, team or side in breach of the clothing regulations will be asked to correct it and if they do not, they may be defaulted by the supervisor or controlling body. The Controlling Body may impose conditions relating to sponsor's logos.

- d. A killed jack, is a dead end and therefore needs to be replayed.
- e. In any game where there is a time limit, any killed end after the bell will result in the jack being placed on the 2m mark.

9. Bowls Taranaki may decide to utilize the indoor facilities at the Paritutu Complex, should this action be deemed necessary, to progress or finalise a particular event, delayed because of inclement weather.

10. Bowls Taranaki may decide to restrict the movement of players during play. WB Law, Appendix A4 will apply. Bowls Taranaki may decide to restrict deliberate slow play. WB Law Appendix A5 will apply.

If there is no play, then all entries qualify for post section. If one game is completed with no further play then all entries will qualify for post section play. If two games are completed with no further play, then 1 or more wins will qualify for post section play. Play will continue unless there is heavy rain, conditions become slippery or

Proudly sponsored by Summerset Pohutukawa Place and Vospers Funeral Home

The competitions are played Taranaki wide, round robin events, with 2 or 3 rounds (games) scheduled per day. If there are high entry numbers in a division, the field may be divided into 2 pools and a final or finals day held. Clubs may enter teams based on the conditions listed below.

NOTE: A maximum of one team per Club in Division 1 only, but there is no limit on other divisions. Clubs can be placed into a division if the Match Committee require it. A player can only represent one club in New Zealand in the Interclub competition in any one season. Should a club not have 20 or more players of one gender for an entry in Division 2 or 3, or not have 10 members of one gender for any entry in Division 1, there may be dispensation, upon a letter being approved by the Centre, to have a combined team entered in a division.

The entry fees are: Division 1 - \$150.00 (inc. GST) per side. Division 2 and 3 are \$50.00 (inc GST) per side.

Note: Mat fee of \$2 per player shall be paid to the host club each day.

Prize money will be paid to 1st placed teams in Division 1 to assist in attending the NZ finals. This Prize money is paid to the Club. Prize money will be paid to first and second placed teams in the lower divisions.

FORMAT for the Divisions:

Eight person sides. In any round, seven (or eight in division 2 or 3) players shall be selected to fill the seven (or eight) positions across the three disciplines. Division one sides must continue to provide an eighth player who can mark, while the lower divisions have eight players playing each round. After the commencement of play on day two, a player can only move up to a higher division; no downward movement is possible.

Division 1: Singles: 21 shots; Pairs: (3 bowls) 18 ends; Fours: 15 ends.
Divisions 2 & 3: 8 person Sides playing: 1 Pairs team (3 bowls), 18 ends; 1 Pairs team 2x4x2 format, 14 ends; and 1 Fours team, 15 ends.

then the result of the games between the two clubs shall be the decider, then the differential between the two clubs. Supervisors will allocate rinks, be responsible for the conduct of play and the collation of results. All games to be completed in full, unless both sides agree to not play. In this case, no points will be awarded. If a default is recorded, the winning team will be awarded a win plus that team shall get an average score from across the discipline which was defaulted, played in that round in that section. All rounds to be played in numerical order.

Bowls New Zealand Domestic Regulations - updated June 2025

2.2 The Controlling Body will decide on the eligibility of a substitute. For a Pathway Competition, this is the Controlling Body of the competition where the substitute is required. Substitutes introduced after the game has commenced must play in the same position as the player being substituted, except if that position is Skip. In subsequent games in the same competition, the position of players may be rearranged, however a substitute must not play in the position of Skip.
- c) A Fours Team may contain up to two substitutes at any time during a competition, alongside two members of the Original Team.
- d) A Triples Team may contain one substitute at any time during a competition, alongside two members of the Original Team.
- e) A Pairs Team may contain one substitute at any time during a competition, alongside one member of the Original Team.
- f) A substitute is not permitted in any Singles game, except in a side game, where a substitute may be permitted. If a substitute in singles is required in a side game, the substitute must be a member of one of the teams in the side. Members of the side can re-arrange their positions as necessary.
- g) If the player for which the substitute was replacing later becomes available, the player shall with the consent of the Controlling Body, rejoin the team in the same position as the player being replaced at the completion of any end. The team can only rearrange their positions at the completion of that game for subsequent games.

2.4 A substitute approved by the Controlling Body shall be:

- a) Of playing ability equal to, or less than, the absent team member, based on current playing ability, playing experience and record. (Bowls

Taranaki Controlling Body requests that 3 names, be supplied of players of similar or lesser ability and the Controlling Body will decide the appropriate substitute)

- b) A player who satisfies the eligibility requirements for team members in the Conditions of Play.

Where it is not possible to satisfy the above requirements, the Controlling Body may appoint any suitable player to act as substitute.

2.5 The awarding of a trophy, financial reward, or other acknowledgement of winning a competition to a substitute in the winning team shall be the prerogative of the Controlling Body.

2.6 The team members of a team (including any substitute within the team) which wins a pathway level competition should be nominated and entered into the next pathway level competition.

2.7 The players that were competing on the green when a stage of any pathway competition is won shall be the players that will make up the team that competes in the subsequent stage of the pathway competition.

Bowls Taranaki Open and Champion of Champions Events

No player should commence an event when they know that they are unable to complete it.

For Champion of Champions events, Bowls Taranaki requests that 3 names, be supplied of players of similar or lesser ability and the Controlling Body will decide on the appropriate substitute. **Substitutes no longer need to be from the runner up team.** For players who are members of two or more clubs, they are only eligible to be a substitute for the club they chose to represent in that discipline.

If a substitute player is required and plays in the winning team, that player must have played a minimum of two games to be eligible to earn a Centre Title, otherwise the original player will be deemed to be the winner of the Centre Title.
